

Community Guidelines

2024

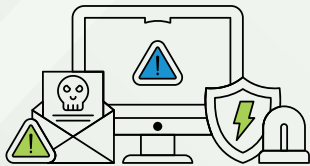

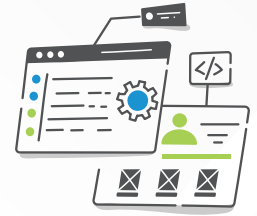

1 Respectful Communication

- ▶ Treat all members with respect and kindness.
- ▶ Avoid personal attacks, insults, or inflammatory language.
- ▶ Disagreements are natural, but always engage in constructive and respectful dialogue.

2 Relevant Content

- ▶ To Ensure your posts and comments are relevant to Versa Networks products, services, or related topics.
- ▶ Avoid off-topic discussions and keep threads focused

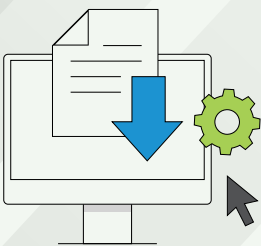

3 No Spam or Self-Promotion

- ▶ Do not post spam, advertisements, or self-promotional content.
- ▶ Sharing resources and links relevant to discussions is allowed, but excessive self-promotion is not.

4 Confidentiality and Privacy

- ▶ Do not share personal, sensitive, or confidential information about yourself or others.
- ▶ Respect the privacy of other community members.

5 Accurate Information

- ▶ Strive to provide accurate and reliable information.
- ▶ If you are unsure about the accuracy of your information, clarify it in your post.

6 Use Appropriate Channels

- ▶ Use the designated forums and threads for specific topics.
- ▶ If you have a technical issue, use the technical support forum; for general inquiries, use the general discussion forum, etc.

7 No Harassment or Bullying

- ▶ Harassment, bullying, and intimidation are strictly prohibited.
- ▶ Report any behaviour that makes you or others feel unsafe or unwelcome.

8 Respect Intellectual Property

- ▶ Do not share pirated software, unauthorized copies of content, or any other intellectual property violations.
- ▶ Attribute sources when sharing third-party content.

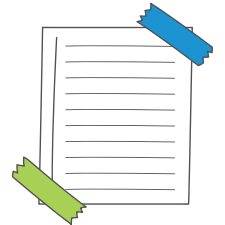

9 Constructive Criticism

- ▶ When providing feedback or criticism, do so in a constructive manner.
- ▶ Focus on solutions and improvements rather than just pointing out problems.

10 Moderation and Reporting

- ▶ Follow the guidance of community moderators and admins.
- ▶ Report any violations of these guidelines to the moderation team.
- ▶ Understand that moderators have the right to remove content or ban users who violate these guidelines.

11 Engagement and Participation

- ▶ Be active and contribute positively to the community.
- ▶ Help others by answering questions and sharing your knowledge.

12 Stay Updated

- ▶ Stay informed about updates to the guidelines and any new community rules.
- ▶ Check for announcements from the community admins regularly.
